

MACHAKOS UNIVERSITY & HUAWEI

presents

(Huawei Certified ICT Associate (HCIA))

Cloud computing Training

Virtualization is an entry-level technology for cloud computing and a very important technology in cloud computing. This course introduces the knowledge of computing, networking, and storage related to virtualization, and introduces the features of virtualization so that everyone can quickly understand the field of cloud computing.

Target Trainees

Those who hope to become Cloud Computing engineers;
Those who hope to obtain HCIA-Cloud certificate;
Operators and Maintainers;
Administrators;
Planners and designers.

Can get the HCIA certificate when passing the corresponding exam above.

Curriculum

HCIA-CLOUD COMPUTING

Introduction to Cloud Computing
Introduction to Compute Virtualization
Introduction to KVM
Introduction to Fusion Compute
Network Basics for Cloud Computing
Network Architecture for Virtualization
Physical Network for Virtualization
Virtual Network for Virtualization
Network Features of Huawei Virtualization Product
Storage Architecture for Virtualization
Centralized Storage vs. Distributed Storage
Virtualized Storage vs. Non-Virtualized Storage
Introduction to Virtualization Features
Introduction to Cluster Features
Introduction to Virtualization Features
Introduction to the Features of Huawei's Virtualization Product
Cloud Computing Trends
Fields Related to Cloud Computing
Cloud Computing Technologies

Prerequisites

- Be familiar with basic knowledge of IT
- Be familiar with basic knowledge of Server and PC OS
- Be familiar with basic knowledge of storage

Duration

- 5 Weeks

Training Dates

Weekdays & Saturday Weekend Class

Cost

- KES 10,000 for Machakos University Students and staff
- 20,000 for Non-Machakos University Students and Staff
- Payment can be made to any of the branch of the following accounts and indicate that it is for HAINA:
 - Kenya Commercial Bank: Account No. **1137145064**(Machakos Branch)
 - National Bank of Kenya: Account No. **01020078499400**(Machakos Branch)

How to apply

Apply online at :
<https://bit.ly/2WGuFVY>

Exam

- Prerequisite No
- Exam Subject
 - Code: H12-211
 - Description: HCIA-HNTD
 - Fee: \$200 (free for now)
 - Duration: 90 Minutes
 - Language: English
